JAR-OPS 1, Subpart E

APPROVAL FOR LOW VISIBILITY OPERATION

Jetflite Oy has applied approval for CAT II- approaches with CL604 and Falcon 20-5 airplanes. Documents supplied with the application and during approval process satisfy The Flight Safety Authority that Jetflite Oy training, operations and maintenance comply with the requirements set forth in JAR-OPS 1, Subpart E for category II approaches. Amendment to AOC FIN-004 is delivered with this approval letter.

Head,
Flight Operations Section

Eero Kausalainen
