

Jetflite Falcon 7X Ultra Long-Range Air Ambulance

Jetflite together with EMA Emergency & Medical Assistance's medical team offer unrestricted and highly skilled medical evacuations worldwide.

Our missions are EURAMI accredited.

Our fleet of jets, one Falcon 7X with a single stretcher and two Challenger 600-series airplanes with double stretcher options enable us to conduct one, or multiple patient transports. Additionally, all aircraft facilities enable the transportation of escorts.

Key Data

Passengers: 16

Cabin height: 1,88 m

Cabin width: 2,34 m
